

## **Members Bar and Dining Areas Reopen**

Since our builders handed over the renovated areas prior to Christmas, Members have been able to again enjoy the Bar and Bistro and Racquet Club, as well as the extended terraces and the new Winter Garden.

Summer is a great time to enjoy the dining and social opportunities at Kooyong and this year there is the added reason to come and view the extensions and refurbishments that have taken place during 2009.

### **Racquet Club**

The Racquet Club reopens for dinner on Thursday 7<sup>th</sup> January. It will then be open every day for lunch and dinner. The chefs have devised new menus that will tempt diners and provide a special dining experience. The private dining room extension will be finished in the coming month and available for private functions on completion.

### **Bar, Bistro & Winter Garden**

The Bar and Bistro is again open daily for lunch and dinner. The new Winter Garden provides a special experience under a glass roof, and with the room opening out to the extended terraces, Members are provided with wonderful views of our courts.

### **Barbeques**

The ever-popular barbeques are back. The new area is operating and Members can again purchase meat at the Bar and prepare their own lunch or dinner on the terrace while sharing time with family or friends.
