IMPORTANT NOTICE TO ALL CLUBS

'Dress Standards' – Exclusion of Singlets and Peaked Caps

The Club Circuit committee believe that our competition is defined by many unique aspects which appeal to our player groups:

- Friendly Licensed Club environment
- Social interaction
- Concept of Hosting
- Catered 'Post Match' dining
- Responsible consumption of beverages
- Early start time.

We also pride ourselves on a standard of dress that enhances our playing group. To that end various clubs have their own unique club apparel that reflects their individual club style.

While no longer being totally prescriptive on dress in respect to choice of colour we do **NOT** permit the following:

Wearing of 'peaked caps' *or* singlets during play on court.

Club Circuit committee representatives present at each final will enforce this rule and if a player refuses to comply the match will be awarded to the opponent.

All Match and Pennant representatives should advise their players of these existing expectations if not already known.

Note:

These dress standards also apply during normal 'home and away' matches.
